When I first came to see Dr. Crumbaugh I was having severe mid back pain. Having this pain made my work and daily activities very difficult. I knew to get out of this severe pain I had to find a Chiropractor. When I came across Live Well Chiropractic on the website I just felt drawn to the office.

My life has changed in many good ways. I am now more conscious about my body, and the effects of my actions. Because of Live Well Chiropractic and Dr. Crumbaugh I now have a much more positive outlook on my overall health. My hope for my health and ongoing chiropractic care is to maintain balanced and aligned, Physically and spiritually.

I hereby give my permission to publish my success story in whole or to summarize its contents in any of the publications of Live well Chiropractic.
